

Instructions

- ▶ Print this page to scale at 100% (verify that the scale on your printed card matches that of a ruler)
- ▶ Fold page along the centre line (— — — —)
- ▶ You can cut around the outside of the card to remove excess paper, but this is not required (- - - - -)
- ▶ Use the card to perform your personal inspection

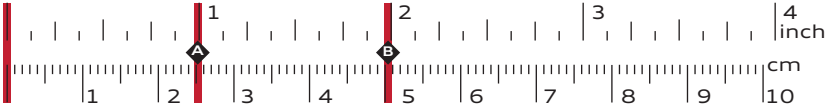

Wear and Tear Inspection Card

Audi Finance 

Guidelines

Review the Vehicle Condition Guidelines at audi.ca/inspection

- A** Dents, dings, scuffs and scratches on a body panel, less than 2.5 cm (1 inch) will not be charged.
- B** Dents, dings, scuffs and scratches on the bumper, less than 5 cm (2 inches) will not be charged.
- C** Tires with 3.2 mm (4/32 inch) or more tread depth from the lowest point will not be charged. The red tread depth indicator should not be visible when inserting this card into the tread for tires to meet this requirement.

1. Fold along line.
